

LAWYERS FOR COMMUNITIES AND THE ENVIRONMENT

# Lake Bogoria Management Plan Webinar 3

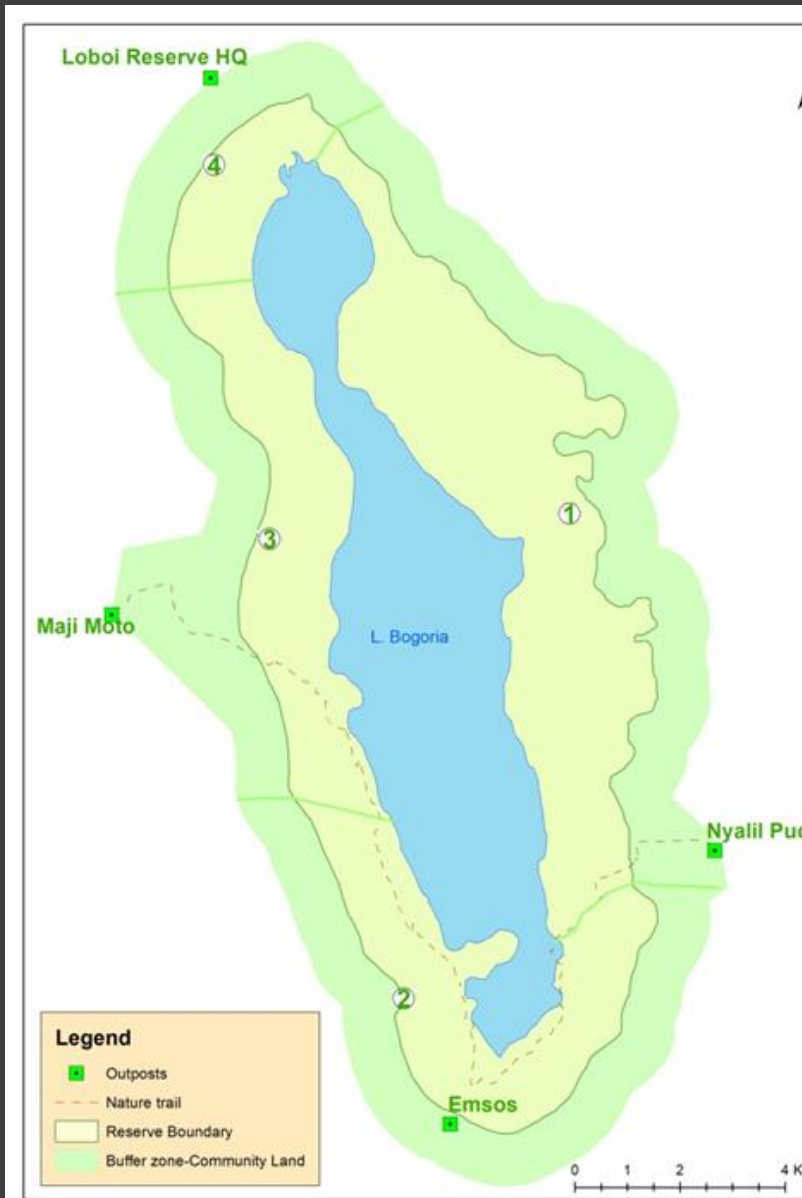

19 October 2020

[info@naturaljustice.org](mailto:info@naturaljustice.org) / [www.naturaljustice.org](http://www.naturaljustice.org)

## What is the LBMP

- An agreement between relevant stakeholders on how Lake Bogoria will be managed.
- A map to develop and implement frameworks for biodiversity protection, sustainable income generation and inclusive co-management with the local community
- Sustainable use and conservation of natural resources in accordance with national frameworks, international guidelines and local TK systems.

## What does the Management Plan Cover

- Conservation and Development
- Sustainable use and equitable benefit sharing
- Inclusive Decision Making

# Key Provisions from the BCP

- Respect for Biodiversity management, conservation and rehabilitation
- Provisions for Endorois cultural values and historical sites.
- Incorporating socio-economic activities like pastoralism/livestock grazing
- Structured benefit sharing mechanisms for Endorois as well as FPIC for future activities
