Ityala lika Shell kwiNkundla yoMgaqo-siseko

Ngamafutshane, uluntu lwaseWild Coast kunye nemibutho yezobulungisa kokusingqongileyo ithi:

- Umyalelo we-SCA ovumela uMphathiswa ukuba athathe isigqibo malunga nesicelo samva nje sokuvuselela ilungelo lika Shell lokuhlola eliphikisanayo, ayisiyonto "elungile kwaye elinganayo"

- Inika uShell ithuba lokulungisa inkqubo yabo yokubonisana eyayingaphumelelanga kuqala ngokuya ilungelo lalisetyenziswa ngaphezulu kweminyaka elishumi eyadlulayo. Umthetho awukuvumeli oku.

- Umyalelo we-SCA awukhuseli amalungelo oluntu kunye namanye amaqela. Iyasilela ukukhusela ubomi babo kunye namalungelo abo enkcubeko nenkolelo zomoya.

- Iyasilela ukuyenza icace into ekufuneka yenziwe yiShell kunye noMphathiswa ukulungisa iziphene zeenkqubo zangaphambili, oko kuthetha ukuba, ngokungaphephekiyo, amatyala amaninzi aya kulandela. Ukuze kube nobulungisa nangokulinganayo, umyalelo kufuneka ubuncinane ucace;

- I-SCA ifumanise ukuba ukubekwa ecaleni ngokupheleleyo kwelungelo lokuhlola "kwakunzima kakhulu". Kodwa imibutho ithi akukho mfuneko yokuba i-SCA yenze into ezakwenza ukuba kubenzinyana kumaqela abandakanyekayo;

- Umyalelo we-SCA awuchazi ukuba yeyiphi inkqubo ekufuneka ilandelwe ngaphambi kokuba kwenziwe uphando. Ngokomthetho wangoku, imvume yokusingqongileyo iyafuneka.

Iziphumo ezihle kwi Nkundla Zamatyala azizokubaluleka qha kumatyala asezayo, odwa, kodwa zizakubonisa nokubaluleka kothethwano nabantu bokuhlala. Izakuqinisekisa nokuqaphela inkcubekho nezithethe zoluntu ezinxulumene nolwandle kwaye iqinisekise namalungelo abantu kwindalo esingqongileyo njengoko kuqulunqiwe ku Mgaqo-siseko wethu wo Mzantsi Afrika.
